RESPONSE TO FINAL OFFICE ACTION

Box AF
Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the final Office Action mailed on May 22, 2002, the Applicants request reconsideration thereof in light of the following Amendments and Remarks.

AMENDMENT

IN THE SPECIFICATION

Cancel the added text on page 25 of the Specification as set forth below, which was submitted in the Applicant's Supplemental Response to the first Office Action.

--As described above, the present invention can be embodied in the form of computer-implemented processes and apparatuses for practicing those processes. The present invention can also be embodied in the form of computer program code containing instructions embodied in tangible media, such as floppy diskettes, CD-ROMs, hard drives, or any other computer-readable storage medium, wherein, when the computer program code is loaded into and executed by a computer, the computer becomes an apparatus for practicing the invention. The present invention can also be embodied in the form of computer program code, for example, whether stored in a storage medium,
